

AIO to start taking Conference bookings at Optrafair

Exciting new programme announced.

The 2016 AIO Conference will be held at the wonderful Vale Resort in Cardiff and will mark a number of 'firsts' for the Association. It is a must attend event!

It will be the first time that the Association has held its annual Conference in Wales, and delegate numbers are anticipated to exceed 200 for the first time. The other big 'first' is the inclusion of a new event for those who aspire to be in Independent practice. This new event will be composed of a number of feature presentations from identifying a practice, to assessing its financial viability, obtaining finance and getting support from professional bodies and product suppliers. There will also be 'one on one' expert advice slots available as an added feature of the event.

Keith Pearce, Conference Organiser and Vice Chairman of AIO said 'I am really excited about the 2016 Conference. Not only will there be the usual excellent range of speakers on the main lecture programme, but also a new and specially tailored event for those who would like to enter into Independent Practice. It is our aim to make what might appear a very daunting prospect into something that is much easier to understand and assess. We want aspiring Independents to know that there are a lot of people out there who can help them realise their dreams and aspirations. We will also have an excellent range of CET workshops available throughout the Conference as usual.'

'Throw in some great social activities, our fabulous Gala Dinner and the company of interesting and fun loving Independents and The Vale Conference adds up to a really exciting prospect' Keith added.

To find out more and/or to book your place at the Conference, come and visit AIO on stand C61 at Optrafair or visit www.aiovision.org or call 0800 1300 486
